

# HISTORY OF THE COMPANY

**GOLD DROP** has a long tradition, **over 24 years on the market**, in production of household chemical products.

---

The development of a reputed brand is based on **the philosophy of ethical and responsible business**, i.e. offering top-quality products to customers, maintaining a business-oriented relationship with contractors, cooperating with local communities and paying particular attention to protecting users and natural environment.

---

The history of Gold Drop shows its dynamic growth – a small company has transformed into an enterprise with almost **200 employees**. The company is a valued private label provider.

**Our products are successfully sold in over 26 countries!**

**Eastern and Central Europe, also in countries like Armenia, Azerbaijan, Kazakhstan, Iceland, Norway, U.A.E., Sweden, Croatia, Bosnia & Hercegovina, Slovenia, Montenegro, Greece, Georgia and Libya.**

---

The company has substantially expanded its infrastructure since 1999 – a new production hall, warehouses, facilities and offices were built and investments were made.

The production process is guarded  
by the **ISO 9001 and 14001 Integrated Quality and Environmental Management System**.

# AWARDS

The company is constantly evolving, improving the quality of its products, which sometimes results in awards in various fields of business.

For example:

Title **ECOLOGY PROMOTER**, The **RELIABLE EMPLOYER 2004**, **RELIABLE COMPANY 2003 and 2004**, Ten certificates **"FAIR PLAY BUSINESS"** (2000 – 2009), **CONSUMER BRONZE LAURELS 2005**, **GOLDEN STATUETTE OF POLISH BUSINESS LEADER**, **QUALITY AWARD 2011** and many others.
