Roskilde, 09<sup>th</sup> August 2017

## Product approval

Re: *Origen Hypoallergenic Concentrated Softener (PK-14-GD)*

Product no: UK102120

Asthma-Allergy Denmark has reviewed the above-mentioned product formula and has no remarks related to this. The artwork is equally approved and the product can now be marketed with the Asthma-Allergy Denmark logo.

Additionally, note that the agreement only pertains to this specific product, the submitted product formula and artwork. All modifications hereof, including concentration adjustments or ingredient additions as well as artwork changes should be submitted to and reviewed by Asthma-Allergy Denmark prior to product marketing.

CAS No.	INCI	Contents in %
